\*CV and Careers Workshops and 1:1 CV reviews run by Jane Barrett will be taking place alongside the main conference programme. There will be also BGS 3D Virtual fieldwork demos and Keyworth Core Store tours taking place at various times between 11 and 15.00. These activities can fill up quickly, so pre-registration is advised. They will be filled on a first come, first served basis. You will be able to book for these activities when registering for the conference. Registration will open towards the end of the summer.
